Dear Missions Coordinator,

Campus Crusade for Christ gets thousands of requests for Bibles every day of the year. The source of many of the requests might surprise you:

The Middle East.

You can personally help meet this growing need with a gift to provide Bibles to the Middle East. Men and women are hungry for the truth that only the Bible holds. Consider what a Campus Crusade missionary told us recently:

"People do not know what the Bible contains. When they read it, their prejudice about Jesus breaks down. Here, everyone who comes to believe in Jesus did so by reading the Bible."

You can provide a Bible right now for just \$3.

You have shown a commitment to evangelism before. Thank you so much. Will you prayerfully consider this chance to share His word again in some of the world's darkest places?

Each Bible you provide is lovingly translated into the heart language of the recipient. A special one-time gift will provide God's word to Arabic-speaking people — many of them not yet followers of Jesus Christ. You're such an important part of our ministry team. Will you help us touch the hearts of lost people through this Bible distribution?

Many who request a Bible do so at great personal risk. Yet men and women continue to seek the truth at all cost.

Men like Farid.

Making his way through the streets of his hometown, Farid thought about the

risk he was taking. Every few steps he renewed his commitment to getting a copy of the Bible.

In his heart he knew it would be worth the risk.

Farid knocked on the door of a home he thought belonged to someone who might have a Bible. He had heard Christians lived here, but if he had been wrong Farid could have faced enormous risk of persecution or even worse.

“May I have a Bible?” Farid asked.

Farid was welcomed into the home of a Campus Crusade staff member and given his very own copy of the Bible. He read it and connected immediately with the Sermon on the Mount. “Blessed are those who are persecuted . . . for theirs is the kingdom of heaven.” Matthew 5:10

This young man, who once followed the majority religion of his home country, found Jesus through a story in the Bible. And Jesus was exactly who Farid wanted to be like.

The living word changes lives. I’ve seen it, from campuses in North America to the plains of Africa. From the cities of Europe to Middle Eastern villages.

Will you help provide Bibles to the next Farid who knocks on our door? Just \$3 will put the word of God into one person’s hands. A copy of the Bible in the language they know and love.

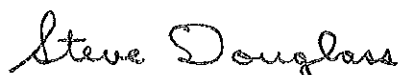

Last year, over 500,000 Bibles were distributed. The need is clear. The opportunity to reach into people’s lives with the good news is huge.

Thank you for the role you play in reaching people everywhere for Christ and thank you for choosing to partner with us in this eternal work.

Please pray about how we will continue this work together in the year ahead.

Will you help reach the men and women of the Middle East who are hungry for the truth?

With great joy,

Steve Douglass
President
